Overview: Lovely frontline golf villa on 3 levels in Mijas Golf. On the entrance level there is a large hall, guest toilet, living room with fireplace, big kitchen with dining area, a separate dining room and 1 bedroom with an en-suite bathroom. There are also exits to the massive terraces on different levels and the heated pool from both the living room and the kitchen. Upstairs spread out from the spacious hallway you will find 4 good sized bedrooms, all with en-suite bathrooms. Everything made in good quality and well maintained. From the entrance hall there is stairs down to the "relax" section of the villa, with a GYM, a steam room, and a bathroom with a shower. There is also a storage and a utility room here. On the terrace you can enjoy beautiful views over the golf course, the surrounding landscape and the mountains. From the pool terrace steps lead down to a terrace level with entrance to another living room / guest accommodation. There is also a separate bathroom with a shower so you do not have to go into the house to shower before/after the pool. The garden surrounding the villa is well maintained and there is furthermore parking on the entrance side for several cars. This property has all the extras you could want, so viewing is highly recommended.
