Описание:Magnificent 8,023 m² plot located in a privileged natural setting in Casares, surrounded by a variety of vegetation and mature trees, offering peace, privacy, and an authentic countryside atmosphere. Thanks to its elevated position, the property enjoys spectacular panoramic views of the coastline, the surrounding countryside, and the Sierra de Casares, making it an ideal place for those looking to escape and enjoy nature. There is the possibility of connecting the plot to both mains water and electricity, providing greater flexibility for its future use. Due to its size and characteristics, the land is particularly suitable for dry farming, agricultural use, or as a recreational country retreat where you could enjoy a small country house, always subject to the relevant planning regulations and necessary permits. An excellent opportunity to own a substantial piece of land surrounded by nature, offering peace, privacy, and beautiful views in one of the most attractive rural areas of Casares.
