Описание

Spacious Two-Level Apartment with a Loft and Three Terraces in Benahavís This spacious apartment in Benahavís is arranged over two levels, with a two-bedroom home on the main floor and a large loft upstairs. Three terraces and a flexible layout offer plenty of space for everyday living and welcoming guests. The main floor features two bedrooms, one bathroom and a spacious living room with an open-plan kitchen. A small terrace of approximately 3 m² offers a lovely view and a pleasant spot to enjoy a morning coffee. A private staircase leads to the upper floor, where a large open-plan loft with its own bathroom opens onto two generous terraces. The east-facing terrace catches the morning sun, while the west-facing terrace is ideal for enjoying the afternoon and evening outdoors. The loft could be arranged as a guest suite, a studio or a home office. Its open layout also offers scope to create a separate apartment, subject to any required approvals. Benahavís is a charming Andalusian mountain village on the Costa del Sol, known for its whitewashed houses, winding streets and excellent restaurants. The surrounding hills offer scenic walking routes, and golf courses, the coast, Marbella and Estepona are all within driving distance.
