Overview:Spacious 3-Bedroom Apartment with Pool & Garden Views & Tourist License in Cabopino, Marbella Morning coffee overlooking lush greenery, followed by an easy stroll down to the Artola dunes and marina. Set in a quiet residential pocket of Lomas del Puerto in Cabopino, this resale apartment sits roughly 5–10 minutes' walk from the beach and minutes from Cabopino Golf Marbella, pairing generous proportions with a relaxed Mediterranean pace. Across 154 m² of thoughtfully proportioned living space, warm natural light and calm garden views set a soothing tone from the moment you step inside. The layout features three spacious bedrooms, two full bathrooms, an open-plan living and dining room, and a separate fitted kitchen. Sliding glass doors blur the line between indoors and out, opening onto a covered terrace overlooking the communal pool and landscaped gardens—made for slow breakfasts, shaded afternoon reading, and unhurried dinners with space for both outdoor dining and lounge seating. Two private underground parking spaces and a private storage room take the friction out of coastal living, giving you effortless arrivals and dedicated space to tuck away golf clubs, beach gear, or luggage between visits. An active tourist license adds rare freedom: generate holiday rental income while you are away, or keep the apartment entirely for family weekends and longer stays. Some homes feel like a project; this one feels like a deep breath. Leave the car parked underground for a scenic walk along the wooden boardwalks of the protected sand dunes, play an early round at Cabopino Golf Marbella, and come back for a long lunch on the terrace. Contact us today to arrange a private viewing and experience the light, the terrace, and the walk to the beach for yourself.
