Overview: Only two properties are found in this very quiet and private cul-de-sac street, one being this charming quality Spanish style villa. The property holds four bedrooms, three bathrooms and a study on the main floor, as well as the lovely living room with fireplace, the kitchen and dining area, with beautiful views of the green mature garden, with pine and fruit trees. A recently renewed swimming pool is found a couple of steps down with complete privacy. Located on the lower floor there is a medical practice with two treatment rooms, a reception area and a toilet. This area has a separate entrance with ample private parking space in front. Ideal for those seeking to work from home yet it can also easily be converted in a self-contained apartment or extra bedrooms. A staircase behind a door leads to the main level of the living area of the house. An ideal property for those seeking peace, quiet and privacy, yet at only a couple of minutes' walk from all amenities Calahonda has on offer.
