Overview:Excellent investment opportunity !!! Presenting you this magnificent very nice and big apartment in Terrazas de Banus in the middle of the bustling center of Puerto Banus ! The great thing about this apartment is that on the one hand this apartment is located within walking distance of literally everything and on the other hand you hear nothing , it is a very quiet apartment. If you are looking for the perfect location then you have to visit this property for sure ! You have plenty of space with lots of built-in cupboards and a huge terrace overlooking the beautiful gardens . 24 h security and an underground parking space and 2 big swimming pools and a 3rd smaller one. This is definitely an excellent investment and an ideal apartment for any type of clients. Easy to rent between 1500 € and 2000 € short term ! Definitely worth a visit !
