Property Type: Apartment

M² Build size: 109
Parking places: by request

Price: 510,000 €
M² Plot Size:

Overview: Beautiful 2 bedroom apartment close to beach and town, San Pedro de Alcántara, Marbella. Modern, fantastic apartment in Taylor Wimpey urbanisation with east terrace, enjoying no noise quiet backside of centric area close to beach and center. Originally a 3 bedroom layout, the owner ordered making the living larger at the expense of the 3rd bedroom, now offering 2 bedrooms and 2 bathrooms, but with the possibility to adding the 3rd bedroom again. This has been done at the original construction. Great details, as a extra long sink/table in the kitchen and a original balinese wardrobe front in the hall, semi open bathroom in the master bedroom separated by milk glass plate. Own satellite dish on the roof of the building. Separate space next to kitchen with washing machine and drier. One parking space in garage underneath the building. In direct proximity of many restaurants, bars and shops of the town center, just a 5 minute walk from the beach. Plenty of golf courses are within 10 minutes by car. Malaga airport is 45 minutes away.
