Price: 765,000 €
M² Plot Size: 510

Overview: Magnificent renovated detached villa steps away from the beach, in the area of San Pedro. It is distributed in a spacious living room, with direct access to a nice porch, the pool and a manicured garden. It offers 3 bedrooms, with 2 bathrooms (one en suite) and stands out for its luminosity and the tranquility of the area. It has the possibility of extending the house on a second floor, which is very interesting. In addition, it is located in an area with great potential for long and short term rentals. Close to all kinds of services, such as restaurants, stores, pharmacies ... 1 km from the Boulevard de San Pedro. Do not hesitate to request a visit!
