The urbanization offers a great charm with beautiful gardens throughout, large green areas with walking paths, a large swimming pool-lake with lawn, toilets, paddle tennis courts, playgrounds and a café-restaurant with a large terrace inside. The property has been very little inhabited, being in very good condition. Beautiful and very quiet ground floor with magnificent position in the urbanisation. It has a very cosy living-dining room with direct access to the porch with a big garden very well kept and with southwest orientation and with access to the swimming pool of the community, in front of the house. Nevertheless, the house has a lot of privacy, not being visible from the communal areas. It has two bedrooms, one en-suite and with access to the garden and another bedroom with a shared bathroom. The kitchen is independent and fully equipped. An underground parking space is included.
