Overview: Imagine living in this paradise called Costa del Sol, just a few steps away from the beach and absolutely all the services that Benalmadena has to offer. This flat has been completely refurbished less than 3 years ago (including electrics and plumbing) in a beautiful and modern style. The open plan kitchen, living-dining room and master bedroom have lovely open views to the gardens and you can even see the sea. There is a small terrace where you can relax, sunbathe or read that book you love. It is also a corner property, and has no buildings attached to it, so it also feels very intimate. It is a perfect home for investors who want to rent for short term or for those who want to enjoy their holidays and forget about the car. The airport is very close by.
