This apartment benefits from the most amazing sea views which can be seen from one of the bedrooms, private terrace and the community gardens. Located in a lovely and well established community of only 26 apartments. This community has a privileged and tranquil feel. The property has 2 double bedrooms and 1 bathroom. The bathroom has recently been refurbished to a high standard and boasts a huge walk in shower and great flooring. A fully fitted and open plan kitchen leads to the lounge that has direct access to the private terrace and gardens. The gardens are immaculate and make this small community feel very special. In addition to the gardens is a heated pool to allow residents to swim all year round. A short walk away are all the amenities that Riviera del Sol has to offer.
