Price: 300,000 €
M² Plot Size:

Overview: Great opportunity to buy a 3 bedroom , 2 bathroom apartment in Cala Azul, fabulous location, walking distance to all amenities and the beach. This is a ground floor 3 bedroom apartment, very well located within the complex. Enter the apartment and on the left you have a nice fully fitted kitchen, with a utility room and a little patio. Straight in from the hallway you have the sitting/dining room which leads out to the large terrace overlooking the pool and immaculately well kept communal gardens. Off the sitting room you have the 3 double bedrooms, master bedroom ensuite and has direct access to the terrace, a second bathroom with shower for the other two bedrooms to share. There are marble floors throughout the sitting room and bedrooms, blinds on the bedroom and sitting room windows. The apartment also has an underground parking space and storeroom . There are two pool areas within the complex and also has a children's pool and play area. The location of this apartment is excellent, in La Cala de Mijas which is a small town between Fuengirola and Marbella. A Lidl right beside the complex . La Cala de Mijas has everything, a long sandy beach, boardwalk and you can walk all the way to Cabopino, plenty of nice Restaurants, Cafes, Supermarkets, schools. The open air market comes into Town on Wednesday and Saturday mornings. Bus service which goes from Fuengirola to Marbella passes through the Town. You can even walk and play 9 holes of golf at La Noria Golf. The complex is all being painted and will be finished by the end of 2021 so it all looks nice and fresh. This is a great investment, you can use it as a Holiday Home, Live in it all year round, work remote from here as the fibre optic connection is excellent.

Features:
