Overview:This imposing villa is located in one of the most exclusive areas of the Costa Del Sol: Sierra Blanca. It is a luxury urbanization, very quiet, in the heart of La Milla de Oro, with 24 hour security. One of its main characteristics is that its inhabitants can enjoy incredible direct views of the mountain of "La Concha", in addition to having (right next to it), one of the most internationally known schools: "Colegio Swans". The villa itself has been created to be a "home", not just a house. Its distribution is made up of 2 floors and the basement, offering all areas plenty of space and spectacular panoramic views. The ground floor consists of a wide corridor, which passes through two incredible interior patios, until reaching the huge living room with fireplace, relaxation area with TV, separate dining area and access to the panoramic terraces, where you can enjoy the good weather the Costa del Sol offers. In addition to this, we can find a very large fully equipped kitchen with all the utilities, as well as two guest bedrooms with their own en-suite bathrooms and several terraces. All spaces have beautiful views of the garden and the infinity pool. On the upper floor, we can find a very spacious master suite with its private bathroom, as well as a truly large dressing room, also en suite, and a private terrace with panoramic views. As the only room on the top floor, this suite has a special feature: privacy. The lower floor (basement) is distributed in a large storage room, an area used as a laundry room, a machine room and a large double garage. The entire villa has hot / cold air conditioning, underfloor heating (throughout the house) and alarm system.
