The large living-dining room leads a great south facing covered terrace and a nice size private and sunny garden. The fully fitted kitchen is independent but it could be open onto the living-room if desired. On the ground level we also find a bedroom, a guest toilet and a small laundry space under the staircase. Upstairs we find 3 more bedrooms and 2 bathrooms. The main one is full of light and has a large ensuite bathroom and access to another uncovered terrace. The other 2 bedrooms are sharing the second bathroom. The house has A/C installed. There is an extra storage space at the entrance of the house apart from a parking space. The Urbanization offers beautiful and very well maintained communal gardens with a large swimming-pool plus one for children.
