Overview: 4 BEDROOM, REFURBISHED DUPLEX 100 METERS FROM THE BEACH IN ELVIRIA! This 4 bedroom and 4 bathroom plus guest toilet apartment was completely renovated by the current owners last year to include a very expensive system to damp-proof the property and maximize air circulation throughout. The spacious accommodation offers 4 en-suite bedrooms, one of them in the upper level overlooking the stunning tropical gardens. There is a wide patio entrance that could be used in a variety of ways, and an additional internal patio that floods the property with light. All bathrooms and the kitchen are brand new, fully tiled and finished to a high specification. There is scope for independent B&B accommodation or a guest room with its own entrance. The living room is very private and overlooks the gardens and has a brand new fireplace and led lighting. There is also air conditioning with heating throughout. The terrace was extended during the refurbishment. Unbeatable location, meters away from the stunning communal swimming pools and the spectacular beach, framed by 2 "chiringuitos". An amazing opportunity to enjoy front beach living in a private yet close to everything location! Malaga airport is only 45 minutes away. Videos available upon request.
