Overview:RENTED TILL SEPTEMBER 2022 Wow! Can't say anything wrong about this unit! Very first line beach urbanisation, wonderful sea view from most rooms that is even more impressive thanks to the elevation of the apartment. The owner has made many modifications and upgrades, including a new open plan kitchen, underfloor heating in the bathrooms, electric security shutters, independent AC to each room, sound system, and electric sunblind to cover the large terrace in summer months. The layout is fantastic, including a large living room and main bedroom with direct access to the terrace, and an oversized bathroom ensuite but also accessible from the corridor. Direct beach access, and wonderful large pool overlooking the sea and coast. The complex has recently been entirely painted, and flooring on the terraces has been redone and are as brand new. Underground parking in storage included in the price. A must see!
