Overview: Classic Andalusian house in Mijas in need of a reform, located in a quiet street in the centre of Mijas Pueblo. The property is distributed over 3 floors, the ground floor is distributed in living room, kitchen, bathroom and a corner - cave that can be used as storage space. On the upper floor there are 3 good sized bedrooms and a complete bathroom. On the third floor there are two divided living spaces and a terrace from which you can enjoy stunning panoramic views of the sea and the narrow streets of Mijas. Magnificent opportunity in the heart of Mijas Pueblo.

Features:

Sea views, Mountain views, None
