Overview: --- Nestled in the picturesque hills of Mijas, one of Southern Spain's most enchanting white villages, awaits an extraordinary opportunity to acquire a truly bespoke luxury villa. This exclusive new development represents the pinnacle of modern architectural design, offering breathtaking panoramic views across the sparkling Mediterranean Sea, majestic mountains, and verdant valleys. This is more than a home; it's a lifestyle statement, crafted for discerning individuals seeking unparalleled elegance and comfort. ---

BUILDING LICENSE IN PLACE! READY TO START, CONSTRUCTION TIME FRAME OF 18 MONTHS.

Seize this rare chance to own a brand-new, bright, open-plan luxury villa, where construction is poised to begin immediately. With a clear 18-month timeframe from commencement, your dream home in Mijas will soon become a reality, designed to the highest standards and tailored to your unique preferences.

This unique custom-style property presents a rare fusion of cutting-edge contemporary design and timeless elegance. The villa can be configured with multiple options to truly create your ideal home, featuring a standard layout of five rooms and two spacious living areas. For those requiring even more space, there's the flexibility to incorporate an additional two rooms and an extra bathroom, ensuring every need is met. Built with an unwavering commitment to quality and attention to every detail, the villa boasts a highly modern aesthetic throughout, complemented by pre-installation for an elevator for ultimate convenience.

Flexible & Expansive Living Spaces

The villa's intelligent design spans three magnificent levels, each offering a distinct experience:

Entrance Floor: Upon entering, you are greeted by an expansive living room that seamlessly flows into an open-plan kitchen and dining area. These bright, airy spaces are designed to maximize natural light and lead directly to generous covered and uncovered terraces, perfect for al fresco dining and relaxation beside the stunning infinity pool. This floor also hosts a convenient guest toilet, an entrance wardrobe, and an exterior two-car garage.

Middle Floor: Ascend to the middle floor, a sanctuary dedicated to repose. Here, you'll find a luxurious master bedroom complete with an en-suite bathroom and its own private terrace, offering secluded tranquility. Two additional spacious bedrooms, each with terrace access, share a beautifully appointed bathroom. An incredible optional space on this level provides a versatile multipurpose room with abundant natural light. This area can be transformed into two extra rooms with an additional bathroom, a state-of-the-art cinema, a fully equipped gym, or an engaging games room, catering to your specific desires.

Basement: The extensive basement level, spanning an impressive 122m², is a masterclass in versatility. Designed with natural light and open sea views, it can function as a completely independent apartment. This self-contained unit includes two bedrooms with a shared bathroom, a large living room, a laundry room, and a private storage room. This setup provides an exceptionally comfortable and adaptable living space, ideal for guests, extended family, or as a private retreat.

Unrivalled Location & Key Features

Perched in the esteemed Mijas Pueblo, this villa offers more than just spectacular views; it places you at the heart of convenience. Mijas Pueblo provides access to all types of services, from charming local boutiques to gourmet restaurants. The property’s location ensures:

- Amazing full panoramic views of the sea, mountains, and valley.
- Proximity to a 24-hour supermarket.
- Just steps away from the vibrant Mijas village center.
- Enhanced security as the villa is situated within a gated community, usually associated with apartments, ensuring peace of mind.
- Complete privacy, allowing you to enjoy your luxurious retreat undisturbed.

The project embraces client-centric design, allowing for modifications both inside and outside the villa to meet your exact specifications. Once the building license is active, the construction process commences, completed within 18 months.
