The property boasts an approximate constructed area of 269 m², of which 199 m² correspond to the apartment, 26 m² to a bright attic with a skylight, and 44 m² to a spacious double parking space in the building's basement. Situated on the first floor with an elevator, this apartment combines space and convenience with a functional layout. Upon entering, a large hallway leads to the left into a bright and independent living room with access to a spectacular 22.5 m² south-facing terrace, perfect for enjoying sea views and the warm sunsets of the Costa del Sol. To the right of the hallway, you'll find a spacious kitchen with a dining area, a guest toilet, a pantry, and a practical laundry terrace. The hallway connects to the other rooms: four bedrooms, two of which have direct access to the terrace with sea views, ideal for waking up to the sound of the waves, and two full bathrooms, one of them en-suite. On the top floor of the building, the property includes a 26 m² attic, a versatile and bright space that can be adapted to your needs. The price also includes a large parking space with capacity for two cars, a significant advantage in this exclusive part of the city.
