The centerpiece is a private swimming pool with spacious sunbathing terraces and panoramic views of the surroundings. The villa currently features a two-level + lower ground layout with 5 bedrooms, 6 bathrooms, and an open-plan living and dining area with a fireplace and access to a shaded outdoor patio—ideal for al fresco dining. The huge kitchen is functional but offers scope for modernization. What truly sets this property apart is its excellent potential for renovation and expansion. With ample unused land on the plot and a solid base to start from, there's room to extend and add more bedrooms, or even extend the upper floor to capture more sea views. It's a rare opportunity to create a bespoke dream home in a sought-after location. El Paraíso Alto, nestled in the hills of Benahavís near Marbella, is a prestigious residential enclave renowned for its luxurious villas, panoramic sea views, and tranquil ambiance. This exclusive area offers residents a harmonious blend of privacy and proximity to the vibrant Costa del Sol lifestyle, with easy access to beaches, fine dining, and cultural attractions. At the heart of this community lies El Paraíso Golf Club, one of Andalusia's most esteemed courses. Designed in 1973 by golfing legend Gary Player, the 18-hole, par-71 course spans 6,131 meters from the championship tees. Its wide fairways, strategically placed water hazards, and lush surroundings of palm trees and lakes provide both a challenging and picturesque experience for golfers of all levels. The clubhouse, originally crafted from charming country houses, offers a warm, rustic atmosphere with modern amenities, including a restaurant, terraces, and practice facilities. Owned by its members since 1996, the club fosters a strong sense of community and tradition. El Paraíso Alto and its golf club epitomize the serene elegance and sporting excellence that define the Costa del Sol.
