M² Plot Size:

Overview: La Cala de Mijas. Old house for apartment construction in the center on one of the quietest streets and within walking distance to all amenities. With a plot area of 63 m², it is possible to build a ground floor, first floor, and second floor. One-bedroom apartments can be built on the ground, first, and second floors; the third floor could be a studio with a large terrace or a one-bedroom apartment. For investors. Currently rented until the end of August. Contact us for more information.
