The property includes practical features such as a private parking space as well as a storage unit in the basement. There is also plenty of communal areas to enjoy, whether you are looking for movement, relaxation, or connection. You might start your morning with a swim in the indoor pool, a workout at the gym, or a quiet moment in the sauna. The community also includes a paddle court, playgrounds for both children and dogs, and a shared space suitable for hosting gatherings or working remotely. For those who enjoy gardening, there are also private cultivation areas. The beach is about a 20-minute walk, making it easy to enjoy a swim or a stroll along the shoreline. The surrounding area also offers several golf courses and natural landscapes ideal for hiking and mountain biking. With the sea, nature and golf all within reach, this is a place where an active lifestyle comes naturally.
