San Pedro de Alcántara is cherished for its authentic Spanish charm, beautiful promenade, and strategic location just a stone's throw from the glamorous playgrounds of Marbella and Puerto Banús. This particular penthouse finds its home in an exceptionally coveted sector – a tranquil residential haven that paradoxically places you at the epicentre of all urban amenities. Imagine waking up to the gentle Spanish sun, knowing that everything you desire is just moments away.

The property's unbeatable location redefines convenience. Supermarkets, including the popular Mercadona, are a mere 50 meters from your doorstep, transforming daily errands into effortless tasks. The historic Plaza de la Iglesia, the beating heart of San Pedro, is just 700 meters away, inviting you to immerse yourself in local traditions and al fresco dining. For health and wellness, a modern health center is conveniently located 900 meters away. Nature enthusiasts will revel in the proximity to Los Tres Jardines Forest Park, a verdant sanctuary just 600 meters away, offering lush green spaces for invigorating walks or peaceful contemplation. This unique blend of immediate accessibility to essential services and recreational facilities, coupled with the tranquility of a residential setting, positions this penthouse as an extraordinary find.

Beyond its enviable location, this penthouse is a testament to sophisticated living. Step inside to discover interiors graced by the timeless elegance of marble flooring throughout. The opulent gleam of polished marble underfoot not only speaks volumes about the property's superior craftsmanship but also contributes to maintaining a refreshingly cool ambiance during the balmy Andalusian summers. Modern comfort is paramount, with the integrated air conditioning system ensuring a perfect climate year-round, allowing you to relax and unwind in absolute serenity, regardless of the season.

The true jewel in this penthouse’s crown, however, lies in its spectacular exterior spaces, designed for ultimate relaxation and entertaining. Ascend to your private rooftop sanctuary: a magnificent 25 m² terrace offering breathtaking panoramic sea views. Here, the azure expanse of the Mediterranean stretches out before you, providing a dramatic backdrop for everything from intimate breakfasts to grand sunset soirees. In addition to this grand terrace, the property thoughtfully includes an additional 4 m² patio, perfectly designed for practicality. This secluded space serves as an ideal laundry area, keeping household tasks discreetly out of sight while providing fresh air for drying.
