Layout & Possibilities

Semi-basement: Large garage with room for parking, storage, laundry, or even a home gym.

Ground floor: A huge living-dining area with access to a private terrace. The kitchen is currently independent, but the layout easily allows conversion to an open-plan American-style kitchen, making it the heart of the home — perfect for family living, gatherings, and entertaining friends. Guest WC also on this floor.

First floor: Three ample bedrooms and two bathrooms, including a master with ensuite and private terrace. With so much space, one bedroom could easily be used as a comfortable home office.

Roof terrace: A spectacular solarium with panoramic 360° views and complete privacy for sunbathing. This rooftop is a blank canvas — add a jacuzzi, outdoor kitchen, or solar panels to create your own private retreat.

Community Set within a secure, peaceful community with landscaped gardens, a children's pool and a larger swimming pool, ideal for both relaxation and family fun.

Space for Every Lifestyle With its generous layout and flexible spaces, this home works equally well for a large family, for professionals who need a home office, or for anyone who loves to entertain. It offers plenty of room to come together, as well as private zones for quiet time.
