This versatile space can be used as an outdoor dining area, reading nook, playroom, or home office. The terrace offers lovely views over the community gardens, pool, and lush greenery. The kitchen is fully renovated, independent, and comes fully equipped with modern appliances, enjoying plenty of natural light from a large side window. The master bedroom is generous in size and features an en-suite bathroom with double sink and walk-in shower, as well as three built-in wardrobes and access to the main terrace. It boasts marble floors, centralised hot and cold air conditioning, high ceilings, and solid interior walls, in a building constructed in 2002. A private underground parking space is included in the price, and the community also offers guest parking within a secure, gated complex with CCTV surveillance.
