Exclusive Commercial Investment Portfolio in Calahonda, Southern Spain

---

Luxury Realty is honored to present a truly exceptional and multifaceted commercial investment opportunity located within the esteemed Centro Comercial El Zoco, Calahonda, Mijas Costa. This offering is meticulously structured to cater to discerning investors, providing two distinct yet synergistic pathways to acquire a prime income-generating asset in one of Southern Spain's most vibrant commercial hubs. We strongly encourage a thorough review of this comprehensive description to fully appreciate the remarkable potential encapsulated within these properties.

Calahonda, nestled on the sun-drenched coastline of Mijas Costa in Southern Spain, is a highly sought-after destination renowned for its dynamic commercial activity and robust tourist influx. This prime locale on the Costa del Sol boasts a strategic position, attracting a diverse demographic of both affluent residents and international visitors year-round. Centro Comercial El Zoco stands as a testament to this vibrancy, a bustling and established commercial center that hosts an array of restaurants, sophisticated cafés, retail shops, and essential daily services. Its proven track record of consistent foot traffic and excellent accessibility positions any business within its confines for success, making it an ideal location for a stable, long-term commercial investment.

The Core Investment: A Unified & Renovated Commercial Gem

The cornerstone of this exclusive offering comprises two independent commercial units, each possessing its own cadastral reference, that have been skillfully merged into one expansive and highly functional commercial premises. Spanning approximately 80 m² of prime commercial space, this property underwent a comprehensive and high-standard renovation in 2024. This recent refurbishment ensures a modern, attractive aesthetic and absolute operational readiness, signifying that the property is perfectly poised for immediate long-term use without the need for additional capital investment from the new owner.

Beyond its impeccable interior, this property boasts several unparalleled features that significantly enhance its value proposition. Foremost among these is the exclusive use of a generous communal terrace situated directly in front of the premises. This coveted outdoor space not only provides exceptional visibility for the occupying business but also offers substantial additional commercial potential, ideal for outdoor seating, display areas, or promotional activities. Furthermore, the premises benefit from two independent entrances, a design feature that affords remarkable flexibility for future use or even the potential for seamless separation back into two distinct units should market dynamics or strategic objectives dictate.
