It is currently fitted out as a doctor's surgery, although with minimal investment it could easily be converted into a beautiful, modern and spacious residential apartment. The property has three bedrooms, two full bathrooms, and includes a large underground parking space along with a large storage room. The building has a secure entrance, 24-hour concierge service and a safe and well-maintained environment. The flat enjoys views of the avenue and a privileged location, with all amenities close at hand: health centre, pharmacies, banks, supermarkets, shops, restaurants, schools and colleges. All this is just a few minutes' walk away and only three streets from the promenade and the beach. An excellent opportunity both as a primary residence and as an investment in the centre of Marbella.
