Upon entering, you are immediately enveloped in an atmosphere of refined elegance. The spacious layout has been conceived to maximize natural light and optimize the flow between distinct living zones, ensuring both comfort and functionality. The main living area, a welcoming sanctuary, offers ample space for both relaxation and entertaining. Imagine unwinding after a day at the beach on a plush sofa, bathed in the soft Mediterranean light filtering through large windows. The design aesthetic is clean, contemporary, and versatile, providing a perfect canvas for personalizing the space with your unique style and furnishings. High-quality finishes and attention to detail are evident throughout, from the elegant flooring underfoot to the carefully chosen fixtures, creating an ambiance of understated luxury that resonates with the discerning buyer.

The apartment boasts two generously proportioned bedrooms, each designed as a private haven. The master suite, in particular, offers a tranquil escape, featuring ample built-in wardrobe space and an en-suite bathroom fitted with modern sanitary ware and stylish tiling. These rooms are sanctuaries of peace, promising restful nights and invigorating mornings, with sufficient space to accommodate comfortable king-sized beds and additional furnishings, providing both privacy and comfort for residents and guests alike. Large windows in each bedroom not only invite an abundance of natural light but also offer charming glimpses of the surrounding environment, fostering a constant connection with the beautiful Elviria landscape. The second bedroom, equally well-appointed, benefits from access to a second, elegantly designed bathroom, ensuring convenience and comfort for all occupants.

One of the most captivating features of this extraordinary property is the seamless integration between its interior living spaces and its magnificent outdoor domain. The state-of-the-art kitchen, a true chef's delight, is equipped with premium appliances, sleek cabinetry, and durable countertops, providing an inspiring space for culinary creations. More impressively, this gourmet kitchen fluidly extends into a truly spectacular 40 m² private terrace.
