A Home Designed for Discerning Tastes

Step inside this superb residence, where every detail has been thoughtfully considered to provide an experience of sophisticated living. The convenience begins immediately, with the main entrance just two steps from the lift that whisks you directly from your two private underground parking spaces – a true luxury on the Costa del Sol. A welcoming hallway guides you into the heart of this elegant home.

To your left, discover a state-of-the-art kitchen that has been comprehensively renovated. It features top-of-the-line integrated Siemens appliances and exquisite granite worktops, promising a delightful culinary experience. Where a small bathroom once stood, a clever transformation has created a stylish dining area, complete with bespoke furniture, perfect for intimate meals. Adjacent to the kitchen, a practical utility room offers additional convenience, and from here, a door opens to a charming, south-west facing terrace. This smaller, intimate outdoor space provides picturesque views over the communal pool and beautifully manicured gardens, stretching all the way down to the shimmering Fuengirola Bay.

To the right of the entrance, the spacious lounge-diner measures an impressive 4.1 by 5.1 metres, designed for comfort and elegance. This grand living area seamlessly extends to a magnificent, large terrace directly overlooking the verdant golf course. Part of this expansive terrace is sheltered by a roof, while the remainder can be shaded by versatile sliding blinds, allowing for year-round enjoyment. Furnished with high-quality pieces and equipped with an infra-red heater, it’s an ideal spot for relaxation or entertaining. Completing the downstairs accommodation is a comfortable double bedroom and a well-appointed bathroom, ensuring privacy and comfort for guests or family members.

Ascend the internal stairs to the upper level, where the private quarters await. Here, you will find the sumptuous master bedroom, which also benefits from its own private terrace with captivating golf course views. A thoughtful design enhancement has seen a portion of this terrace enclosed, creating a practical and discreet storeroom, ideal for sunbed cushions and other outdoor essentials. This level also features another versatile bedroom, currently utilised as a chic dressing room, alongside a beautifully renovated shower room, reflecting the high standards of the entire property. Throughout the penthouse, elegant cream marble floors exude sophistication, complemented by ducted air conditioning, ensuring comfort in every season. All furnishings and fittings are of the highest quality and have been meticulously maintained, presenting the property in impeccable condition.

Exclusive Urbanisation & Unrivalled Amenities

This exquisite penthouse is part of the prestigious Atalaya Golf urbanisation, a high-quality development constructed between 2001 and 2003. A significant advantage of Atalaya Golf is its strict policy against tourist rentals, ensuring a tranquil, secure, and genuinely residential environment for its homeowners. Residents here enjoy access to an impressive array of communal facilities, designed to enhance well-being and leisure. These include three large swimming pools, rejuvenating saunas, a fully equipped gymnasium, and extensive, beautifully landscaped subtropical gardens, creating an oasis of calm and luxury.
