Overview: One of the most luxurious penthouses is for sale in Higueroon Resort 307sq m of sea and mountain views, luxury and pleasure. From a covered entrance, beside the elevator, with views of the Sierra Nevada mountains and the Mediterranean sea, you enter this opulent penthouse through a bespoke steel and glass covered vestibule between 2 security doors leading to an internal entrance with a powder room. The bedroom layout offers three en-suite rooms, including a large and sumptuous master suite. The social heart of the home is a vast, light-filled living and dining area, surrounded by two glass walls and offering breathtaking views. It features a modern Italian kitchen designed for minimalism, using concealed pocket doors to create a streamlined, clutter-free environment. The expansive terrace is seemingly integrated with the indoor area, with an outdoor kitchen and bar, a covered glass dining area completed with a lavish spa/jacuzzi and shower under roof.
