GERANIUM

Overview:

Luxury Realty proudly presents an extraordinary acquisition: 'The Geranium', a restaurant synonymous with unparalleled culinary excellence and esteemed heritage. Nestled in La Cala de Mijas, on Spain's sun-drenched southern coast, this establishment is a gastronomic institution, a beacon of fine dining that has captivated discerning palates. This exclusive invitation is for a visionary investor or passionate restaurateur to step into a thriving legacy, acquiring a piece of Spain’s rich culinary tapestry within a prime Southern Spain location.

The story of 'The Geranium' is inextricably linked to its iconic founder, Chef Steven Saunders, a renowned TV Celebrity Chef and distinguished Michelin-starred talent. His journey began with the original 'Pink Geranium' in 1986, an establishment exceptional enough to garner patronage from former Prime Minister Margaret Thatcher and recognized as a favourite of King Charles III (then Prince Charles) and the late, beloved Lady Diana. This restaurant is a living testament to a golden era of fine dining, steeped in prestige and historical significance.

Under Chef Saunders' guidance, 'The Geranium' in La Cala has earned significant accolades, voted among the Top 25 restaurants in Spain by TripAdvisor for 2025 and crowned #1 in Malaga by Luxlife 2025 New York. Beyond awards, it operates as a robust, profitable enterprise with strong financial performance and a loyal customer base; legendary Sunday lunches are often fully booked weeks in advance. The premises accommodate 60 covers, featuring a fully equipped, state-of-the-art kitchen, separate pot wash, guest bathrooms, and generous storage, all meticulously maintained for seamless operation.

A truly extraordinary offering is the potential for a seamless transition, guided by the legacy's founder. Chef Steven Saunders, seeking more personal time due to minor health considerations, has exclusively entrusted Luxury Realty with this sale. His unique condition: he wishes to pass the torch only to a passionate chef or restaurateur who genuinely shares his love for hospitality. In an unprecedented gesture, Chef Steven offers the option for the new owner to retain his services in a consultancy or active chef capacity. This provides invaluable mentorship, ensuring the brand's integrity, continued success, and seamless knowledge transfer from a true master.

Commercial aspects are equally attractive: a robust 7-year lease remains, with a favorable option to extend, providing long-term security. The rent for such a prime La Cala de Mijas location is remarkably reasonable, contributing significantly to profitability. This combination of an established, award-winning brand, prime location, healthy financials, and direct mentorship presents a truly one-of-a-kind opportunity. It demands a discerning, passionate, and experienced chef or restaurateur, perhaps a dynamic couple, ready to embrace this legacy and propel it to greater heights.

If you possess the vision, drive, and dedication to uphold the esteemed reputation of one of Spain's finest dining establishments, and are prepared to immerse yourself in the vibrant lifestyle of Southern Spain, this unparalleled opportunity awaits. For further details on this exclusive acquisition and to arrange a private viewing, we invite serious inquiries to contact Luxury Realty. Seize this momentous chance to own and shape the future of a true culinary icon in La Cala.
