The architectural vision seamlessly integrates sleek lines with functional spaces, ensuring both aesthetic appeal and practical comfort from the moment you approach your new home.

The journey through this exquisite property begins on the upper floor, where an inviting entrance hall provides a warm welcome. Adjacent, a stylish guest toilet offers convenience for residents and visitors alike. The floor then opens into a grand, open-plan living area that truly serves as the heart of the home. Here, the state-of-the-art kitchen, complete with high-end fittings and ample preparation space, flows effortlessly into the elegant dining and living room. From the expansive living area, tantalizing glimpses of the sparkling Mediterranean Sea can be enjoyed, providing a serene backdrop to your daily life.

Extending beyond the living room is a magnificent 24 square meter south-facing terrace. This sun-drenched sanctuary is designed for ultimate relaxation and entertaining, offering abundant sunshine throughout the day and presenting an idyllic setting for alfresco dining, morning coffees, or simply unwinding while soaking in the gentle sea breeze and views. Its generous dimensions allow for various seating arrangements, transforming it into an outdoor extension of your sophisticated living space.

An elegantly crafted, spacious staircase descends from the living room to the tranquil lower floor, dedicated to rest and privacy. This level features a generously proportioned entrance hall, offering direct and convenient access to the private garden. The sleeping quarters comprise three beautifully appointed bedrooms, each designed as a personal haven. The master suite is a true retreat, boasting an indulgent en-suite bathroom. This luxurious space features a full-sized bathtub, inviting moments of relaxation, while a second, meticulously designed bathroom offers a contemporary shower cabin, serving the additional two spacious bedrooms.

Practicality meets luxury on this lower level with the inclusion of a dedicated utility room. From the lower floor's central hallway, direct access leads to the outdoor oasis – your private 110 square meter garden. This beautifully landscaped space features a charming, smaller covered terrace of 9 square meters, perfect for shaded lounging or intimate gatherings. The garden offers a private haven for outdoor enjoyment, whether you envision a tranquil reading nook, a vibrant floral display, or a safe play area for children.
