Sophisticated Living Across Three Levels

The Versatile Semi-Basement

The lower level of this exceptional villa offers remarkable versatility. It features a spacious garage with ample room for two vehicles, complemented by additional storage facilities. This floor also houses a dedicated water cistern room, ensuring efficiency and self-sufficiency. Beyond the practicalities, a substantial open-plan area awaits your personal touch. This adaptable space is perfectly suited to become a private home office, a vibrant games room for family enjoyment, a self-contained guest studio for visitors, or a state-of-the-art home gym – the possibilities are limited only by your imagination.

The Elegant Ground Floor: Heart of the Home

Ascend to the main living area, the ground floor, which seamlessly connects to the enchanting garden and sparkling swimming pool. Access is convenient, either directly from the garage within the house or through the elegant main entrance from the exterior parking area. Step into a grand entrance hall, distinguished by its soaring high ceiling and an expansive window that bathes the space in natural light, imparting a unique character and an immediate sense of arrival. This floor unfolds into a remarkably spacious and luminous living-dining room, featuring a charming fireplace that promises cozy evenings. Large glass doors provide effortless access to the outdoor living spaces, including a delightful covered terrace – an ideal setting for al fresco dining and enjoying the gentle Mediterranean breezes. The kitchen, a separate and fully equipped culinary haven, offers both functionality and style. Completing this level is a comfortable double guest bedroom and a full bathroom with a contemporary shower, ensuring convenience and privacy for residents and visitors alike.

The Luxurious Upper Floor: Private Retreats

The upper floor is dedicated to tranquility and personal comfort, housing two exquisite double bedrooms. One features its own dressing room and a stylish ensuite bathroom, offering a private haven. The true masterpiece of this level, however, is the expansive master suite. Conceived as an oasis of comfort and serenity, it boasts a generously proportioned ensuite bathroom featuring both a rejuvenating shower and a luxurious hydromassage tub – your private spa. A large, custom-designed dressing room provides ample storage, while a secluded private nook offers the perfect spot for quiet reading, meditation, or simply unwinding. From the master bedroom, step out onto your private terrace to savor breathtaking, unobstructed views of the majestic Mijas mountains, a constant reminder of the stunning natural beauty surrounding your home.
