Overview: Spacious First-Floor Apartment | Marbella Golden Mile Positioned within the prestigious, gated enclave of Lomas del Rey, this exceptional first-floor apartment exemplifies the very finest in contemporary Mediterranean living. Masterfully constructed to the highest specifications, every element of this residence has been curated with meticulous attention to detail — from the architectural finishes to the considered flow of its generous interior spaces. The layout of the residence features a spacious, expansive kitchen with a dining area, alongside a separate living room which extends effortlessly onto a sweeping terrace through floor-to-ceiling walls of glass. Natural light floods every corner of the home, creating an atmosphere of rare luminosity and space. The entrance hall leads intuitively through the residence: to the right, the principal entertaining areas; straight ahead, a private corridor housing a guest cloakroom and a well-appointed guest suite complete with walk-in wardrobe; and to the left, the generous master suite — a serene retreat featuring its own walk-in wardrobe and exclusive access to a private terrace. Lomas del Rey is a distinguished luxury development offering residents 24-hour security, beautifully landscaped mature gardens, and four outdoor swimming pools, one of which is heated — an ambience that evokes the seclusion and refinement of a private resort. The community enjoys an enviable location adjacent to the iconic Puente Romano and Lomas de Marbella Club, within moments of the world-class dining, boutique shopping, and cultural amenities of the Marbella Golden Mile — one of the Costa del Sol's most coveted and tranquil addresses. Excellent connectivity is provided via the AP-7 motorway, with Málaga International Airport located approximately 57 kilometres away.
