This elegant apartment combines a functional layout with luxury finishes. Access is through a communal lobby with lift, and from the moment you step inside you are met with a pleasant sense of space, light and calm. The spacious and bright living room includes a dining area and fireplace in an open and welcoming setting, extending onto a generous south-facing covered terrace. From here there are open views across the protected natural surroundings, the swimming pool and the community gardens. The terrace offers multiple possibilities: an al fresco dining area, a chill-out corner for reading and sharing, or simply a peaceful place to disconnect. Next to the entrance hall, a guest toilet serves the living area. The sleeping area is arranged along a hallway leading to three double bedrooms, all with en-suite bathrooms, fitted wardrobes and direct access to the terrace. The south-facing orientation and Schüco windows enhance natural brightness and the seamless connection with the outdoors. Among its premium features: The property features a state-of-the-art aerothermal system, providing a complete climate control solution. Heating is delivered through water-based underfloor heating, while cooling is provided via fan coil units integrated within the system. In addition, the property benefits from a large-capacity hot water cylinder. The system stands out for its high energy efficiency and independent room-by-room temperature control, which can be managed remotely via an app. The apartment is sold with two generous parking spaces, an additional spot ideal for a motorbike or bicycles, and a private storage room of 10 m². The community offers 24-hour security, mature gardens, an outdoor swimming pool, gym, social lounge, children's play area and co-working space. An exclusive and secure enclave, just minutes from international schools, amenities and sports clubs. A home designed for comfort, privacy and style, in one of the most peaceful and highly regarded areas of Sotogrande Alto. Sotogrande is not just a location, it is a lifestyle.
