Overview: Situated on one of the best streets of the picturesque village of Casares, with completely level access, this beautiful one-floor house preserves its high, traditional roof, adding character and a wonderful sense of space. The property has been fully renovated (electrics, plumbing and finishes), providing a comfortable and modern home while maintaining its Andalusian charm. At the entrance, a bright living room with a microcement breakfast bar opens onto the open-plan kitchen. The kitchen is fully equipped with oven, ceramic hob, washing machine and a microcement worktop, and also features an exterior window that fills the space with natural light and frames the lovely open views of the Genal Valley. The living room also boasts a unique round stained-glass window, perfectly capturing the landscape like a natural painting. The spacious main bedroom has a balcony door with views over the valley. Above it, there is a cosy attic space, perfect as an extra sleeping area, guest corner or storage. The bathroom, with shower, completes the layout. All in all, this is a charming and elegant home, ready to move into — without a doubt, one of the best opportunities recently available in Casares. *****THE PROPERTY IS NOT REGISTERED AT THE LAND REGISTRY.****
