A Property Defined by Distinction and Privacy

What truly sets this magnificent property apart from others within the Arco Iris complex is its highly sought-after corner position. This advantageous placement ensures an abundance of natural light throughout the entire day, bathing every room in a warm, inviting glow. Beyond the luminosity, the corner plot provides an exceptional level of privacy, creating a secluded sanctuary where residents can relax and entertain without compromise. This unique characteristic significantly elevates the property's appeal and functionality, offering an experience unmatched by standard units.

Seamless Indoor-Outdoor Living and Entertaining

Embracing the quintessential Marbella lifestyle, this villa boasts an impressive array of outdoor spaces designed for relaxation, entertainment, and enjoying the glorious Mediterranean climate. The crowning jewel is a generously proportioned, sun-drenched, southeast-facing terrace spanning approximately 50 m². This expansive area is ideal for al-fresco dining, sophisticated entertaining, or simply unwinding with a morning coffee or an evening cocktail. Complementing this, an additional 23 m² terrace offers further versatile outdoor space. Both terraces are seamlessly accessible directly from the main living area, fostering a harmonious flow between the indoor comforts and the outdoor allure.

Contemporary Design and Thoughtful Amenities Across Three Levels

The kitchen itself is a chef's delight, featuring sleek finishes, high-end appliances, and ample counter space, making it perfect for both everyday meals and elaborate culinary creations. Large windows and sliding doors connect this central hub directly to the main terraces, blurring the lines between interior comfort and exterior charm. A standout feature, remarkably unique within the Arco Iris community, is the inclusion of a convenient guest toilet on this floor, adding an invaluable layer of comfort and functionality for residents and their visitors.

First Floor: Ascending to the first floor reveals two generously sized bedrooms, each fitted with bespoke wardrobes offering ample storage. These rooms are designed as peaceful retreats, benefiting from natural light and a serene ambiance. This floor also comprises two tastefully appointed bathrooms, one of which is an elegant en-suite, ensuring privacy and luxury for its occupants. The thoughtful layout provides comfort and convenience for family members or guests.

Top Floor: The pinnacle of the residence is the top floor, dedicated to a large third bedroom. This impressive space features its own luxurious en-suite bathroom and enjoys private access to two further terraces.
