Surrounded by one of Marbella's most beautiful natural ecosystems, the property combines elegant modern Mediterranean architecture with exceptional outdoor living spaces, creating a luxurious and highly private home perfectly integrated into its tranquil coastal surroundings. Set on an elevated private plot of approximately 800m², the villa has been thoughtfully redesigned to maximise natural light, open-plan living and a seamless indoor-outdoor lifestyle. The main living level features a stunning open-plan layout, with large floor-to-ceiling openings connecting directly to an impressive pergola-covered terrace and beautiful swimming pool area. This creates an effortless flow between the interior and exterior living spaces. Two elegant bedroom suites are located on the main level, while the upper floor provides an additional private guest suite with access to spectacular sun terraces enjoying impressive sea views. The exterior areas are a defining feature of the villa, offering approximately 80m² of poolside terrace space, multiple chill-out and entertaining areas, landscaped gardens and private parking for two vehicles.
