It is an elevated groundfloor apartment that is beautifully presented throughout and sold fully furnished, the apartment offers two bedrooms and two bathrooms, with a bright corner position that gives it a particularly appealing feel. One of its standout features is the fabulous terrace, perfect for outdoor living, dining al fresco, and making the most of the wonderful climate all year round. Inside, the property has a fully fitted kitchen with an open-plan layout, creating a lovely sense of connection between the living spaces while still keeping each area well defined. The apartment enjoys pleasant garden and urbanisation views, with mature gardens, colourful flowers, and even some sea views in the far distance, all adding to its charm. Its position close to the entrance of the urbanisation is also a real bonus, making access especially easy and convenient. The urbanisation is well-maintained with a lovely communal pool and gardens. The location is every bit as appealing as the apartment itself. Estepona Port and the characterful Old Town are around 10 minutes away, while this area is also well placed between Gibraltar and Málaga airports, making it ideal for both holidays and full-time living. This part of the coast is known for its relaxed Mediterranean pace, marina life, beachside walks and easy connections between Duquesa, Sabinillas and the neighbouring coastal areas.
