Overview:

Welcome to an extraordinary residential experience crafted for all five senses. This exclusive new development embodies luxury, sustainability, advanced technology, unparalleled leisure, profound calm, and ultimate well-being. It is excellence materialized with distinctive character and unique charm, truly the culmination of architectural brilliance – a diamond whose facets elegantly trace the architectural lines of the buildings over the majestic Mediterranean Sea.

Presenting a selection of exquisite residences with prices ranging from 919,000 € to 1,745,000 €. These meticulously designed properties offer [Beds: 2 - 3] and [Baths: 2 - 3], with generous built sizes spanning from 84.00 m2 to 122.00 m2, promising spacious comfort and sophisticated living.

The residential complex is thoughtfully divided into four distinct buildings, each perfectly adapted to the accentuated topography of the area. This clever design ensures that every home offers breathtaking, unobstructed views of the Mediterranean. Imagine discovering what it truly means to float above the azure waters from the comfort of your own new home.

Strategically located in Fuengirola, this development places you in the heart of one of Southern Spain's most vibrant and sought-after destinations on the Costa del Sol. Fuengirola boasts a captivating blend of stunning sandy beaches, a bustling promenade, rich gastronomy, and cultural events, all contributing to an exceptional Mediterranean lifestyle. Its privileged position ensures easy access to a myriad of amenities, from designer boutiques to gourmet restaurants, while remaining a serene oasis. Furthermore, the development benefits from its close proximity to Malaga International Airport, just a 15-minute drive away, connecting you effortlessly to the rest of the world.

From the moment you arrive, an exceptional level of security is paramount, with a comprehensive five-level security system protecting the entire complex and its residents. Within this secure haven, discover luxury flats and exquisite high-rise villas, each a testament to refined living.

Every residence showcases a contemporary design, defined by modern and elegant architecture with clean lines and the use of the highest quality materials. These homes are designed to inspire, offering luminous spaces enhanced by large floor-to-ceiling windows that invite an abundance of natural light, creating a warm, inviting, and functional atmosphere throughout every room.

Beyond the impeccable interiors, residents will enjoy spectacular panoramic views from various vantage points within their homes. These awe-inspiring vistas are perfect for contemplating the serene landscape, vibrant coastlines, and unforgettable sunsets over the Mediterranean. Every detail has been meticulously considered, with luxury finishes applied using premium materials that reflect an uncompromising standard of construction.

Enhancing this luxurious lifestyle is an exclusive five-star concierge service, available to attend to owners' requests seven days a week. From managing reservations at the most outstanding clubs and restaurants on the Costa del Sol, to securing discounts and preferential treatments at select establishments, organizing exclusive activities and experiences, managing community services, receiving packages, and key safekeeping – our concierge ensures a truly pampered and seamless living experience.

The exclusive services extend to the meticulously designed common areas, which include a stylish lounge area, a stunning infinity pool with a dedicated solarium and bar, an inviting indoor heated pool, and a lavish spa featuring a hammam, sauna, Jacuzzi, salt cave, and massage area. Fitness enthusiasts will appreciate the state-of-the-art gym equipped with Technogym machines boasting an exclusive Christian Dior design. Completing these exceptional amenities are a private cinema room, lush green areas, and a fully equipped coworking space, catering to every aspect of modern luxury living.

State-of-the-art technology and sustainability are integral to this development. Each home is equipped with the latest technological innovations, ensuring a modern, convenient, and environmentally conscious lifestyle. Designed in accordance with our stringent sustainability decalogue, the development implements a series of sustainable practices for minimum environmental impact and maximum community value. These include domotized flats, rainwater reuse, aerothermal energy systems, hydro-efficient taps, elements against solar radiation, and low-consumption, indigenous vegetation.

Personalization is key to making each property truly your own. We offer extensive customization options, ensuring your home is perfectly tailored to your tastes and needs. Furthermore, through an exclusive agreement, you have the unique opportunity to personalize your flat with one of the world's best design studios, Pininfarina Architecture, with two exquisite design proposals already created for inspiration.

Practical amenities include a large underground car park with ample parking spaces and individual storage rooms for each residence. This, coupled with the aforementioned five-level security system, ensures convenience, privacy, and absolute peace of mind for all owners from the moment they enter this exclusive community.

Owners also benefit from an array of exclusive privileges. The Platinum Card provides a one-year membership to the prestigious facilities of the Sports Club. A complimentary shuttle service operates within the community, offering convenient transport to the beach and nearby shopping centre. Membership to the Owners Club fosters a vibrant community, organizing exclusive activities and events to connect like-minded individuals who share similar values and a luxurious lifestyle.

This development is the definitive choice for those seeking unparalleled luxury and exclusivity, offering a privileged coastal location in Fuengirola, just 15 minutes from Malaga International Airport. It's more than a home; it’s an aspirational lifestyle, perfectly blending modern elegance with the serene beauty of the Mediterranean.
