Your Exquisite Home: Modern Elegance and Comfort

This bright, modern, and exquisitely comfortable apartment has been lovingly renovated to an impeccable standard by its current owners just two years ago. Having served as a cherished vacation retreat, it remains in an immaculate, like-new condition, ready for you to move in and immediately begin enjoying the quintessential Mediterranean lifestyle. Spanning approximately 85m², the interior layout has been thoughtfully designed to maximize space and natural light, comprising an inviting entrance hall that leads into a spacious open-plan living and dining room – the heart of this beautiful home.

The apartment boasts two serene bedrooms, each featuring built-in wardrobes for seamless storage. The master bedroom offers an additional touch of luxury with its own walk-in wardrobe, providing ample space for your personal collection. A large, contemporary bathroom serves both bedrooms, while the brand-new kitchen, equipped with state-of-the-art white goods, seamlessly connects to a practical utility room, ensuring every modern convenience is at your fingertips. Comfort is guaranteed year-round with hot and cold air-conditioning units installed in every room.

The Terrace: Your Front-Row Seat to Paradise

The crown jewel of this magnificent apartment is undoubtedly its fantastic terrace, measuring approximately 25m². Accessible directly from both the living room and the master bedroom, it serves as your private viewing platform to the most incredible panoramic sea views. Positioned within the building akin to a 'Royal Box' at a grand opera, your outlook over the shimmering sea is eternal, unobstructed, and truly captivating. From here, the majestic sweep of the coastline, the vibrant blues of the sea, and the dramatic interplay of light and shadow are yours to behold, day after day.

An Idyllic Location in Southern Spain: Manilva's Coastal Charm

Just a mere 100 meters from the sparkling sea, your gateway to the sandy beach is an effortless five-minute stroll from your community gate. Manilva offers a perfect blend of authentic Spanish charm with excellent amenities, superb dining, and a relaxed atmosphere. Easy access to both bustling towns is provided by the A7 coastal road, placing you within minutes of world-class golf courses, marinas, and fine dining establishments.

The building itself, originally constructed in 2006, has recently undergone a complete exterior facade renovation in 2024, presenting a fresh and modern aesthetic. The street front has also received a new, stylish fence, enhancing both security and curb appeal. The apartment is part of a small, meticulously maintained, and well-managed urbanization, fostering a sense of community and exclusivity.
