Located in a quiet cul-de-sac within the prestigious Cortijo Torrequebrada residential community, this end-of-terrace townhouse combines privacy, sea views, excellent orientation and a prime location just a few minutes from the beach. Being the last property in the row, it benefits from only one adjoining neighbour, providing greater privacy, more natural light and a greater sense of space. The property is arranged over three main floors plus a basement level with a private garage and storage room, both with direct access to the house. It offers 4 bedrooms, 2 full bathrooms, a guest toilet, a separate kitchen and a spacious living room with a fireplace opening onto an enclosed terrace with beautiful Mediterranean Sea views. Its east-west orientation ensures plenty of natural light throughout the day. The property would benefit from modernization, as the bathrooms, kitchen and several finishes are original. This gives the new owner the opportunity to renovate and personalise the home while making the most of its excellent layout and outstanding location. One of its major advantages is the photovoltaic solar system with 12 solar panels and battery storage, helping to significantly reduce electricity consumption.
