Overview:This house really has what everyone wants: The location is just wonderful, at one minutes walk to the beach and 10 minutes along the boardwalk to the centre of La Cala. It is also surrounded by great facilities like a supermarket, bars, restaurants and a tennis court. The flat plot has a great private pool, garden and tennis area. On the ground floor is the living dining room, kitchen and one en suite bedroom. Upstairs are 4 bedrooms, 3 of which are ensuite and one uses a shared bathroom. The house has been totally renovated. A great property which works equally as a family home or as a holiday rental investment.
