Overview: Renovated Luxury Villa in Los Flamingos Golf Resort Exquisitely renovated to the highest standards, this elegant Mediterranean-style villa is located in the prestigious Los Flamingos Golf Resort, next to the renowned Villa Padierna Hotel and three exceptional golf courses. Enjoying a coveted front-line golf position, this west-facing residence offers uninterrupted panoramic views across the golf course, surrounding mountains and towards Villa Padierna. The villa features a spectacular double-height entrance hall with vaulted timber ceilings and two elegant side staircases, leading to a sophisticated living area with a spacious lounge, open-plan dining area and a stunning open-plan Miele kitchen with a large central island, complemented by a discreetly concealed prep kitchen. The interiors are finished with elegant marble flooring, while the spacious terraces feature premium travertine stone, creating a seamless and sophisticated connection between the indoor and outdoor living spaces. The property offers 6 spacious en-suite bedrooms, including an impressive master suite with vaulted ceiling, dressing room and beautifully appointed bathroom. The master suite opens onto a private terrace with breathtaking panoramic views, creating a peaceful and exclusive retreat. The lower ground floor is dedicated to entertainment, wellness and relaxation, featuring a home cinema, private gym, entertainment lounge, sauna, fully equipped laundry with Miele appliances, additional en-suite bedrooms and a two-car garage. The beautifully landscaped gardens surround a luxurious swimming pool, complemented by a dedicated BBQ area and pizza oven — perfect for enjoying the Mediterranean lifestyle and entertaining family and friends. The spectacular rooftop terrace offers breathtaking panoramic views across the golf course and surrounding mountains, with a private Jacuzzi providing the perfect setting to relax and enjoy the exceptional surroundings. The property also benefits from a spacious private driveway, offering ample parking for several cars, in addition to the private two-car garage. The villa is equipped with a sophisticated smart home system, with electronic control of the lighting, climate control, underfloor heating, blinds and curtains, allowing the main systems throughout the property to be operated effortlessly and conveniently. Further features include underfloor heating, air conditioning and central heating, Lutron lighting, integrated sound system, alarm and security cameras, louvered shutters and a private elevator serving all floors. A truly exceptional 6-bedroom, all-en-suite frontline golf residence, renovated to exceptional standards and offering the perfect blend of timeless Mediterranean elegance, contemporary luxury, advanced technology, privacy and spectacular golf views in one of the Costa del Sol's most prestigious locations.
