Overview:2-BEDROOM APARTMENT • SAN PEDRO DE ALCÁNTARA • RECENTLY REFORMED A well-presented two-bedroom apartment located on the first floor of a small residential building in San Pedro de Alcántara, within easy reach of the town's shops, restaurants and everyday amenities. The property offers approximately 77 m² of built space, complemented by balcony. It has been renovated approximately two years ago and is sold fully furnished with a fitted kitchen. The apartment comprises two bedrooms, one bathroom, a living room and a fully equipped kitchen. Air conditioning is installed in the main bedroom and living room. The property is situated on the first floor of a building without a lift. The community has also already agreed to pay for new plumbing throughout the building, providing an important future improvement for the property and residents. An ideal option for those looking for a well-located home in San Pedro, whether as a permanent residence, holiday home or investment.

Features:

Air conditioning, None, Resale
