Overview: This is an amazing bright apartment for sale in the frontline Port Complex Puerto Cabopino. This property has two bedrooms (one of them small) and two bathrooms. What we really like about this property are all of its windows giving us amazing views of the port and the sea from numerous directions, we also like the fact that this property is being sold with a valuable private garage space. Unlike many apartments in the port this property has high quality marble flooring and a newer open kitchen.
