Designed to capture abundant sunshine throughout the entire day, this generous outdoor sanctuary offers an ever-changing tapestry of spectacular vistas. From here, you can gaze upon the meticulously manicured greens of the adjacent golf course, the gentle undulations of the surrounding hillside, and the captivating expanse of the coastline beyond. Situated on the top floor with no direct neighbours above, and meticulously designed by renowned English builders Taylor Woodrow to ensure complete privacy from surrounding apartments, this terrace is genuinely unoverlooked. It represents a true retreat, a sun-drenched haven where you can entertain guests, unwind in absolute seclusion, or simply immerse yourself in the mesmerizing backdrop – a unique advantage given its prime position within the wider building structure.
