Every detail, from the choice of premium materials to the clever spatial planning, contributes to an ambiance of sophisticated comfort and effortless luxury.

An Oasis of Private Outdoor Splendour

The crown jewel of this penthouse is undoubtedly its magnificent main terrace, spanning approximately 96 m². This expansive outdoor haven offers an array of distinct zones for leisure and entertainment, including dedicated areas for al fresco dining under the stars, comfortable lounging for relaxation, and sun-drenched spots for soaking up the glorious Spanish sun. In addition to the main terrace, a second, equally valuable terrace of approximately 15.57 m² adjoins the contemporary kitchen.
