From here, you step directly onto the spacious covered terrace; a wonderful place for outdoor dining, relaxing or simply enjoying the open sea views. The kitchen connects conveniently with the living and dining area. The elevated position provides another fantastic viewpoint over the surrounding area and Mediterranean coastline. The property offers 118 m² of built space plus 33 m² of terraces and is presented in very good condition. The furniture is optional and can be taken over subject to separate agreement. A private parking space and storage room are included with the property, conveniently located right next to the elevator for easy access. The residential complex offers an excellent range of communal facilities, including a large outdoor swimming pool surrounded by landscaped gardens, a padel court, gym and spa area with sauna and jacuzzi. These facilities give the development a relaxed, resort-style atmosphere while still being suitable for year-round living. Although having a car is recommended, the location is very convenient with a bus stop right nearby. Benalmádena Pueblo, Arroyo de la Miel and the beach can all be reached within approximately five minutes by car or bus. Several schools, a driving range and a hospital are also located nearby, while Málaga International Airport is approximately 20 minutes away.
