Its principal spaces are oriented to embrace the sea, while a second rear terrace offers tranquil vistas over the verdant countryside – a private sanctuary. A palette of neutral tones and natural textures enhances abundant natural light, creating an atmosphere of calm sophistication.

This exceptional property is offered fully furnished with its exquisite existing furniture and cohesive interior design scheme, ensuring a truly turnkey solution for immediate enjoyment. Further enhancing comfort are ducted hot/cold air conditioning, premium double glazing, elegant fitted wardrobes, and an impressive B energy-efficiency rating. A significant advantage is the existing tourist rental licence, providing exceptional flexibility to combine personal enjoyment with lucrative holiday letting potential.
